The 2021 *University of Illinois Federal Tax Workbook* is split into two volumes. Depending on the seminars you attend or the books you purchase, you may have one or more of the volumes. In order to make the index as useful as possible, rather than produce a different index for each volume, we have prepared a combined index that references both volumes. The page numbers in the index are preceded by a letter indicating the volume (e.g., **A217** means page 217 of Volume A).

If you wish to purchase volumes that you do not have or you need additional copies of volumes, please visit our website at **TaxSchool.illinois.edu**.
